

EXHIBITOR BOOTH BUILDING YOUR BOOTH

DESIGN

BANNER

3000PX WIDTH : 800PX HEIGHT JPEG

Include imagery and graphics. We suggest limiting text on the banner, if you would like to use it. The banner does not hyper link, so please don't include any buttons or calls to action.

LOGO

500PX : 500PX JPEG

We suggest using your normal logo or logo icon that you typically use on Twitter or LinkedIn

PRODUCTS

ICONS - 500PX 500PX JPEG

Include specific products that your company is offering to showcase. You do not have to utilise the product section. Please provide the name of the product, icon/logo, and a short description. We can also include PDF link to another website.

CONTENT

VIDEOS

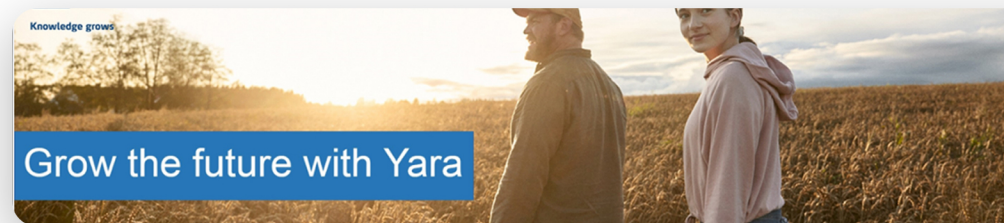

YOUTUBE OR VIMEO

Please provide YouTube or Vimeo links that show in the area on the right. We suggest a short video/promo, usually under one minute long. We can also embed websites and PDFs instead of a video.

EXHIBITOR REPRESENTATIVES

PROFILE IMAGE - 500PX : 500PX JPEG

We suggest including job titles, company names and profile images within your submission, to brighten up your page. Your booth reps will be able to receive instant messages/meeting requests and video calls directly from your booth.

COMPANY DESCRIPTION

Please provide a short description. We can include website links and call to action buttons linked to a PDF or website.
